A Simple Way To

Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common bloud arvon from any drug more (this is all you will need), appy it at night when retising use enough to moisten the scalp and rub it in gently with the finger tips. By merning, most if not all, of your dandruff will be gone, and three or four more applications will
